SENSORY NOTES:

2019 was excellent for the early ripening varietals like Tempranillo and Syrah, especially at the Stones Speak vineyard location. This terroir-driven wine is distinctively from The Rocks District with rich aromas of cherry fruit, fig, black olive, savory herbs, and wet stones. The palate is refined with a supple mouthfeel and layers of red and black fruits, umami, cured meat, and mouthwatering salinity. This wine will age beautifully and benefit from time in the cellar. Enjoy!
